2008 MotoGP GP CINZANO DI SAN MARINO E RIVIERA DI RIMINI
Misano (San Marino) 31/Aug./2008

Shinya Nakano (12th):

It was a really difficult race for us today. Despite making a decent start and getting a couple of good laps under my belt, I started to feel a chattering problem in certain corners and couldn't push hard. By the closing stages of the race my lap times had dropped off by three seconds compared to our pace in practice leading up to this Grand Prix. It is obvious that something isn't working but we'll have to analyse the data to find out what it is and work out a solution.

Fausto Gresini - Team Manager:

I'm disappointed with the way this Grand Prix has finished – both for Alex's crash and Shinya's result. Unfortunately these things happen in racing; we wanted to produce a good showing in our home Grand Prix but we weren't able to. Obviously now we look ahead and try to be positive and optimistic, even if we don't feel in the best mood for it right now."
